RUSSIA

December 2013

I first began dealing in a small way, age 14, to help with purchases for my little collection of France. Soon stamp dealing became addictive, and ten years later, the family firm of J.Barefoot Ltd was formed.

The years have rolled by, the range of one-country lists we offer has become quite extensive, and the hours per week spent "working" (stamps are work?) must be double the official permitted hours. Suddenly I find I'm officially a pensioner too.

So, it's time to cut back a little, and for European country lists, we will eventually just concentrate on Germany and Austria. This will give chance to build up a bigger range of specialised material in those two countries, and to work at a slightly more relaxed pace.

We will also continue to offer the Collections lists and publish the books on revenues and local stamps.

So, sadly, this will now be the last "Russia" list.

Should you be one of our clients who spends regularly in affordable amounts, we can offer a "lay-away" plan - you can reserve a larger amount of material from this final list, and pay in monthly stages. This way, stamps you need for your collection in future months will be saved for you, and we can send at intervals.

I hope you will find something from this final list, and I'd especially like to thank all customers for past business.

TERMS OF SALE

Minimum order £20 please, to allow for bank charges and business costs. I always find a few items sell out quickly. If you can list alternatives, accept a credit note for next time, or pay by credit card or blank limited cheque, this helps us. I aim to send out most normal orders from stock by return post. (Occasionally a little longer if the stock is at an exhibition).

Free first class or airmail (at customers risk) or £7 extra for insurance if required. Orders for £200+ sent by registered mail free of charge.

Mastercard/Eurocard and Visa cards are welcome. You can also pay by cheque in £p, or Euros (cash, or cheque on a bank in France). Prices are in British £p. Exchange rates: £1 = USA \$1.50 £1 = Euro 1.15

All stamps are in fine condition !

We look forward to your order!
